

ECO-FRIENDLY SOY CANDLES MINDFULLY CRAFTED IN COLORADO

Keystone Inspired is a woman-owned candle company that specializes in hand-poured soy candles inspired by the outdoors using sustainable ingredients.

All jar candles are crafted in 100% recycled glass, topped with seeded paper to grow wildflowers, uses pure American-grown soy wax, cotton wicks and earthy, non-toxic, phthalate-free fragrance oils.

10% of all proceeds are donated to MaxFund, Denver's only no-kill shelter.
